

Bruce E. VanDorpe
IAAI-CFI, CFEI, CVFI

Certified Fire Investigator
Certified Fire and Explosion Investigator
Certified Vehicle Fire Investigator

Fire Investigation Services, Inc. Owner and Senior Investigator Bruce E. VanDorpe has been continuously employed in the fire service and investigation fields since beginning his fire service career in 1981.

Bruce holds an Associate of Applied Science degree in Fire Science Technology and is certified as a professional fire investigator through the International Association of Arson Investigators. He is also a Certified Fire and Explosion Investigator and Vehicle Fire Investigator through the National Association of Fire Investigators.

Bruce has investigated the origin and cause of more than 2,000 residential, commercial and vehicle fires. He has served as an expert witness testifying in criminal and civil court matters related to the origin and cause of fires and explosions.

Bruce shares his many years of knowledge and experience in fire service as an instructor at Sinclair Community College in Dayton, Ohio, as well as various other seminars and training programs.

Fire Investigation Services is a fully licensed fire and explosion investigation company that provides a complete, thorough, and accurate investigation into the origin, cause, and responsibility of fire and explosion incidents for the insurance industry.

Our Services Include:

- A timely and thorough scene examination
- Full scene documentation
- Interviews of anyone with relevant knowledge of the incident
- Coordination with state and local investigators
- Research of NFPA 921, MSDS sheets and other documentation relevant to scene
- Timely reports to the adjuster following the scene examination
- Coordination with other relevant investigatory experts
- Evidence documentation, collection, preservation, and storage as required

Licensed in Ohio, Indiana, Kentucky,
Tennessee, and West Virginia.
